## Senate Ethics Committee Primary Trip Sponsor Form

13. The Battelle Energy Alliance, a 501(c) 3 nonprofit organization, is a wholly owned subsidiary of the Battelle Memorial Institute. The Battelle Energy Alliance operates the Idaho National Laboratory under a contract with the Department of Energy, in support of the lab's mission. The Idaho National Laboratory is part of the US Dept. of Energy's complex of national laboratories. The Idaho National Lab's mission is to discover, demonstrate and secure innovative nuclear energy solutions, other clean energy options and critical infrastructure.

The ClearPath Foundation is a 501(c)3 nonprofit organization dedicated to accelerate conservative clean energy solutions by working with policy makers and industry.

Consistent with their missions, the Battelle Energy Alliance, with the ClearPath Foundation, wishes to provide an educational tour and briefings for congressional staff that highlight the nation's important nuclear energy research and development work. This is a unique opportunity to see this work first-hand.

15. The Battelle Energy Alliance has participated in educational activities on Capitol Hill including congressional staff educational briefings and caucus sponsored events such as National Lab Day on the Hill. In Idaho Falls, the Battelle Energy Alliance is involved in numerous STEM programs that focus on early exposure for youth, and promote education and inclusion in STEM fields.

The ClearPath Foundation regularly provides speakers and experts as panelists and speakers for public forums and briefings on energy, nuclear energy, R&D, US competitiveness, and other topics.
